Date: 26th March 2026

Subject: Request for Extension of Deadline

Respected Professor,

I hope this email finds you well. I am writing to respectfully request an extension on the upcoming deadline for the Assignment-6, currently due on 26th March.

Unfortunately, due to an unexpected medical issue, I have fallen behind on my current schedule. I am committed to completing the work thoroughly and would appreciate it if you could grant me an extension until 30th March. I have already completed the research phase and am confident I can submit high-quality work by this revised deadline.

Thank you for your time and for considering my request. I look forward to hearing from you.

Best regards,

Samyak Jain

Subject: Inquiry: Summer Internship Opportunity

Dear Internship Coordinator,

I am writing to express my strong interest in a summer internship opportunity at Microsoft within the software development department.

As a first-year Computer Science and Engineering student at VIT Bhopal University, I have been following Microsoft's recent work in Cloud Computing and Artificial Intelligence, and I am eager to contribute to your team. Currently, I am developing my foundational skills in Java and Data Structures, and I am actively building a technical portfolio on GitHub.

I am a quick learner with a strong work ethic, and I believe that an internship at your organization would provide the ideal environment for me to apply my academic knowledge to real-world challenges. I have attached my resume for your review and would appreciate the opportunity to discuss how I can contribute to your upcoming summer projects.

Thank you for your time and consideration.

Best regards,

Samyak Jain
